

BR2040TN

Refill instruction for TN350/HL-2040/2070N Toner Cartridges

(Instruction also available online at http://www.deal800.com/Installation_ep_41-1.html)

1. Use a flathead screwdriver to pop out the large plastic plug (the refill plug) found on the side of the toner cartridge (as photo above.)
2. Fill with toner.
3. Replace the refill plug (as photo below.)
